## ABSTRACT

This filmography correlates South Carolina's instructional television resources with the National Education Goals for the Year 2000. Each entry includes the title of the instructional television series, grade level, number of lessons/minutes, and curriculum area. The listing is divided into sections, one for each goal, including: (1) readiness (28 titles); (2) school completion (30 titles); (3) student achievement and citizenship (100 titles); (4) math and science (76 titles); (5) adult literacy and lifelong learning (34 titles); (6) and safe, disciplined, and drug-free schools (18 titles).
